## ABOUT PANGOLIN CHOBE HOTEL

**LOCATION:** Pangolin Chobe Hotel overlooks The Chobe River and Namibia's Caprivi floodplains. The Chobe National Park boundary is a few hundred metres away, meaning that with our proximity to the gate, we are often the 1st vehicle through the gate for game drives while our boats are moored on the river directly below the hotel for quick river access.

**ROOMS:** All ensuite rooms are air-conditioned and are spacious with plenty of areas for cameras, phones, laptops etc & charging points. All rooms have a private balcony with views to take advantage of any photographic opportunities.

**MAIN AREA:** The centrepiece is the wildlife photography gallery which features images from resident photographic guides and other top wildlife photographers. Each image has been chosen to showcase differing photo styles and techniques to inspire guests. In front of the hotel is the deck where most meals are served. Overlooking the deck is the bar with great views of the Chobe River & Caprivi Floodplains.

**PANGOLIN PHOTO BOATS:** 3 x 8-seater shallow hulled photo boats with customized gimbals and 360° rotational seats.

**PANGOLIN GAME DRIVES:** 1 x 8-seater vehicle with bean bag camera mounts and window seat for all.

**PANGOLIN CAMERAS SUPPLIED:** Canon DSLR cameras, telephoto lenses, memory cards and photo tuition by the photo host is included.

**PHOTO EDITING SUITE:** At the end of the photo gallery is the editing suite for post-production sessions.
